- Made from renewable oils
- Oil based performance, Water clean up
- No Minimum Quantities
- Available in 250ml, 500ml, 1Ltr, 4ltr and 10Ltr
- Smarter than your average Primer.

Reduce your stain blocking Primers with ONE...Bond'n Block!

◆ Bond'n Block is an unique all purpose oil-based stain blocking primer & sealer which can be used for inside and outside applications. Bond'n Block not only blocks stains but bonds to most surfaces and cleans up in water.

Bond'n Block is an bonding primer designed to stick to surfaces normal primers can not. It will bond to non-porous surfaces creating a sound base for top coats, e.g. Gloss Paint, Formica, PVC pipe & guttering, tempered hardboard etc.

Bond'n Block contains chalk binding resins to promote adhesion to moderately chalked previously painted surfaces.
